

Pack 2 Find and Seek To the teacher

To the teacher

The National Railway Museum invites you and your students to spend an enjoyable and educational experience at the museum. It is suggested that you allow approximately 60 - 90 minutes to make the visit effective.

Museum bookings

Admission fee - please contact the Museum. All teachers, parents and carers are free. A free train ride is included in the price of admission. Telephone (08) 8341 1690 for bookings or further information.

Facilities

Large covered outdoor eating area - tables and chairs. Drink and snack machines are located within the museum. Pass out tickets are also available. Provision for storage of school bags is available upon request.

Student numbers

The museum prefers a ratio of approximately one teacher/parent/carer for every 6 - 8 students. Teachers are responsible for their student's behaviour while at the museum. Remember to bring the **Worksheet and the Map** per student or Worksheet and Map per group.

About the pack

The pack is designed around the display and rollingstock in the two pavilions, which relates to the growth/changes of the rail system within South Australia. Children get to see and read about locomotives, carriages, people and events from past times.

The museum encourages the students to explore and investigate the diversity between their surroundings and those of children in a time gone by. The museum environment creates positive challenges and encourages the exchanges of ideas.

Resource design

This pack has been designed in accordance with the SACSA framework. Material is most suitable for **Early Years Band - birth to Year 2**.

The Learning Areas developing **Literacy and Numeracy** skills as well as continuing to develop more sophisticated social skills. Strand - Exploring analysing and modelling data, Measurement, Number, Pattern and algebraic reasoning and Spatial sense and geometric reasoning. English - Language and Strategies.

A **Certificate** is presented to the class/students after the completion of the Worksheets.

NRM Guide

A volunteer NRM guide will assist you and the students in your search to find the locomotives and carriages.
